

TRANSPORTATION & WAREHOUSING SERVICES

INCREDIBLE SERVICE IS OUR PURPOSE

*Purpose Transportation will work with you  
to develop a customized plan for your transportation needs  
and ensure that your freight gets to where you need it on time, the first time.*

## GENERATOR EQUIPMENT

---

Reliability is everything when it comes to providing dependable power capabilities from public events to storm recovery operations. We are dedicated to providing you with the most dependable service so your equipment arrives as quickly as possible.

Our network of partner carriers can transport trailer mounted units ranging in various sizes and weights with pintle hooks, ball hitches and larger 5th Wheel connections. We plan all moving activities to fit your schedule, and we provide knowledgeable moving experts to assist you on site, so you can focus on your business. Whatever the application, if you need to move your mobile, stationary or standby power units, Purpose Transportation works diligently to provide 24/7 freight and logistics services in the shortest time possible to help meet your needs.
